### FAMILIAR WARNING SHOULD BE HEEDED

Cotton growers are urged to watch for pink bollworms and to burn any infected cotton seed and cotton locks they find. There have been no pink bollworms intercepted this season, but in previous years they have been found. The cotton farmer would be the first to suffer losses if pink bollworms were to become established in Mississippi.

The long Thanksgiving holiday provided many with an opportunity to take short trips to visit family members and friends, while other folk came to Waveland to rejoin family ties. The weather was made to order, and those who had no hesitations about braving the balmy breezes of November took to the water and fishing.

Mr. and Mrs. James La Gasse had as their guests during the Thanksgiving holidays their daughter, who is a student at LSU in Baton Rouge and Mrs. LaGasse's mother, Mrs. F. C. Meyers of New Orleans.

Mr. and Mrs. A. E. White and children have returned from a two-week trip to Texas where they visited relatives.

Mr. and Mrs. Frank B. Fennas and their nieces and nephews, the Dietz children, all of New Orleans enjoyed the Thanksgiving season in the Fennas beach home.

Visiting Mr. and Mrs. C. B. McCall on Thanksgiving Day were their son and daughter-in-law, Mr. and Mrs. Joe Haydel and children of New Orleans. Enjoying the weekend with the McCalls were Mr. and Mrs. E. E. Richardson of Thibodaux, La. Mrs. Richardson is Mrs. McCall's sister.

Mr. and Mrs. Duane Bourgeois motored to Biloxi Sunday where they met their son, J. D., who returned from a pleasant visit in Springdale, Georgia. J. D. made the Georgia trip with the Edwin Cobbs of Biloxi.

Get well wishes to Mrs. Ruth Ketchum who has been confined to her home this past week.

Enjoying a holiday in Mobile, Alabama, was Mrs. R. S. Kramer who spent the long Thanksgiving week end with her son, Dr. R. W. Kramer and his family. She returned to her Waveland home on Sunday.

One of the most enjoyable family gatherings held during the Thanksgiving holidays was the Thursday dinner which brought together the Turcotte, Bourgeois, and Piazza families. Guests for dinner at the Walter Turcotte, Sr. home on Bordages Lane were Mr. and Mrs. C. J. Piazza and children, Mrs. Mildred Piazza, Mr. and Mrs. Sidney Bourgeois, Ray Rosengold, Misses Mary Margaret, Cecile and Evelyn Turcotte, Aggie Bourgeois, Mickey McGill and Mr. and Mrs. Walter Turcotte, Sr.

Mr. and Mrs. Frank Wheat and son of Jackson, Miss., vacationed with Mr. and Mrs. Roland Weston during the past week. Both families enjoyed Thanksgiving Day together.

Mr. and Mrs. O. H. Williams spent the weekend in Jasper and St. Augustine, Texas, where they visited Mrs. Williams' sisters and other relatives.

Hattiesburg was the destination of Mr. and Mrs. T. H. Brockman Sr. and Mr. and Mrs. Norman Hall and daughter Lynne. They were dinner guests of Mr. and Mrs. Otis Brockman and daughters.

Reverend and Mrs. J. C. Rousseaux motored to Montgomery, La. for the Thanksgiving holiday. They were the guests of their son Rev. J. C. Rousseaux, his wife and son, Glen. Get well wishes are extended to Rev. Rousseaux's sister, Mrs. J. A. Bousquet of Slidell, La.

Youngsters who would like to meet Santa Claus can have an opportunity to do so this Saturday at 2:00 p. m. when the jolly old gentleman is scheduled to arrive. He will cross the Bay Bridge coming into Bay St. Louis at this time. A parade will follow his entry into the city.

COUNTY  
AGENT'S  
NOTES

O. O. SWORDS

County Agent

Make sure that your dairy cows are fully conditioned prior to milking. This will make for a high milk production. Make sure that your cows get plenty of hay. Remember, the more high quality hay a cow will eat, the less grain she will require. Hay is cheaper than grain. Make your cows pay. For more information, contact your local county agent.

WINTERIZE YOUR FARM  
MACHINERY

Don't let your machinery "get cold" this winter. First, make sure that any tractor that you put out for the winter has the water drained out of the radiator. If you are going to use your tractor during the winter put some anti-freeze in the radiator. Be sure that water is drained out of tractor tires before we have a hard freeze. A calcium solution can be used in tires to prevent freezing. Check your Operator's Manual or see your dealer for instructions.

## FIRE LINES

Protect your frosted grass grazes, your hay stacks and barns. If fire gets in your dry grass pastures you will find that it is nearly hard to stop.

The best idea is to disk or plow the lines between all public roads and pastures and between woods and pastures.

Even after you do this, it might help a lot if you would make the same type fire lanes around your barn and any stacked hay.

## WINTERING CATTLE

You can do a good job of wintering most classes of beef cattle by roughage and protein supplement. All of you know about how much roughage will be needed. But don't forget the protein.

Main sources of protein are soybean meal and cottonseed meal. Protein usually determines which will use.

A protein meal and salt mixture usually does a good job of supplying the needed protein.

Different classes of cattle need different mixtures of the meal and salt.

The usual mixture for dry cows is two parts meal to one part salt; feedings will usually need three parts mixture and younger calves, one to one in favor of the meal.

Cows that calve in the fall will also usually need more protein. So you will have to adjust your mixture accordingly.

Make sure that plenty of good water is available close to the feeding area. A good supply of roughage is also necessary.

SOUTH LEADS  
WORLD WITH  
PULPWOOD HARVEST

Atlanta, Ga., Nov. 23.—The South led the world with a record pulpwood harvest in 1935.

The value of pulpwood produced in the South as raw material for the pulp and paper industry totaled \$455,000,000, an increase of 12 per cent over 1934, according to H. J. Malberger, general manager of the Southern Pulpwood Conservation Association, in Atlanta.

This value was based on a 12-state pulpwood production survey by the U. S. Forest Service Experiment Stations in Asheville, N. C. and New Orleans, La., in co-operation with SPCA.

The total value of the pulpwood crop harvested in Mississippi last year was \$40,310,000, seven per cent more than the pulpwood crop harvested in the state in 1934.

Of the 80 counties in Mississippi where pulpwood is produced, Clarke, Jasper, and Jones were the leading producers with pulpwood crops valued at \$1,970,280, \$1,903,240 and \$1,420,280, respectively.

The South harvested more pulpwood last year than all of the remainder of the United States—more than any other single country; and more than any other area of comparable size in the world.

Government surveys continue to show a favorable balance of forest growth over all removal—products for man's use and losses due to fire, insects, and disease, Mr. Malberger said.

"As the market for wood is extended to all parts of the South more intensive forest development is made possible for the region by providing nearly every forest owner with even stronger incentive for managing his tree crop," he added.

## DAUGHTER BAPTIZED

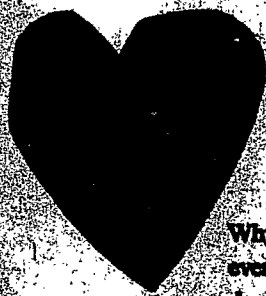

Donna Lynn, daughter of Mr. and Mrs. Donald McBoisard nee Miss Brenda Kergosien, was baptized last Sunday at Our Lady of the Gulf Catholic Church with Rev. Father Kevin Reid officiating.

can't lose your money is U. S. Savings Bonds. Not only can't your money be lost, it can't be stolen or destroyed, because Savings Bonds are registered with the U. S. Treasury. They're backed by the U. S. Government. That's right, your money is safe in Savings Bonds, and it's working for you all the time. When your E bonds mature in just 7 years, 9 months, you'll receive \$100 for every \$75 you've invested. That's an interest rate of 3 and 2/3% annually on bonds held to maturity.

If you choose to leave your bonds with the Treasury, they'll continue to draw a high rate of interest. Or you can convert them into Series H Bonds, which pay interest by check from the government every six months. Any way you keep your money in Savings Bonds, you can be sure it is safe and working for you. See your banker about it today.

business

Why do most drugstores sell everything from breakfast to dance wax...? The answer is simple. It is a matter of economic necessity. Americans, thank goodness, are generally healthy and there are not enough prescriptions to keep all drugstores going. Thus, we sell a variety of merchandise. By so doing we are able to stay open and render assistance whenever and wherever it is needed. Prescription service, however, continues to be the heart of our business and we are always pleased to assist you when medication is needed.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sometimes a face is striking. It isn't the sort of face you're accustomed to. It's a face you wouldn't have expected to see. But you have seen it! That's why you call it striking.

The Face of Faith is like that...

The eyes seem lifted toward the hills, to a source of strength. The lips are firm with a courage that rests neither on prowess nor weapon. The countenance shines with a joyous light... a light that seems to reflect some mystic Sun though the world around is cast in shadow and gloom.

I see the Face of Faith each Sunday... the face of a child... perhaps your child!

I am her Sunday School teacher—and the joyous light of that striking face inspires me to seek more faithfully in the worship and work of my Church the help of God.

You are her parents. How that confident, expectant radiance must inspire you!

## HAPPY HUNTING!

by C. L. L. L.

MAKE SURE YOUR HUNTING GUN IS RUN BY FOLLOWING THESE SAFETY SUGGESTIONS:

CARRY YOUR GUN UNLOADED IN THE TRUNK OR COMPARTMENT OF YOUR CAR.

LOAD THE GUN ONLY IN WOODS OR OPEN AREAS, WHEN DRIVING TO A NEW SPOT, UNLOAD GUN BEFORE GETTING INTO CAR AND MOVING ON.

WHEN WALKING, HAVE THE SAFETY GUN, Muzzle Always Pointed Away From Companions.

NEVER GIVE A LOADED GUN AT A WALL OR FENCE, PUSH YOUR GUN ON A FRIEND OR HAND IT TO A FELLOW HUNTER.

WATCH YOUR BACKGROUND. HARD, FLAT SURFACES MEAN RICOCHET.

OTHER TIPS: YELLOW IS THE BEST COLOR FOR HUNTING CLOTHES. IF YOU'RE LOST OR NEED HELP, FIRE THREE SHOTS AT EVEN INTERVALS, REPEAT A FEW MINUTES LATER.

WHEN DUCK HUNTING FROM A BOAT, TWO COMPANIONS SHOULD FACE IN OPPOSITE DIRECTIONS. IN WOODS, WALKING SIDE BY SIDE IS SAFEST.

THE BEST GENERAL ADVICE: ALWAYS TREAT A GUN AS THOUGH IT WERE LOADED.

## IMPROVED FOREST RESOURCES

Although Mississippi's forests have been a prime resource since the time of the first settlers, our timber is now a mainstay of the general economy. The economic contribution from our forest industries will continue to increase as production from the forest lands increase with better profits from wood products, improved forestry offers assurance that there will be less soil erosion, more useable water, more wildlife and better recreation for the future.

<b>Kantcha Ketchum</b>  Colder weather came our way this week — fishing should improve right along. Ducks are moving in and hunting should be better. Don't have much to report this week regarding sports hereabouts as Yours Truly spent the weekend in Baton Rouge and Houma, La., as guest of his son Luke and son Chipper. Thanksgiving Day was spent in New Orleans with Mr. and Mrs. Dan Haggerty and family where we met for a party and dinner with the Haggertys, Mr. and Mrs. Jim Williams, Mr. and Mrs. Adam Morrison, Irwin Ballard and Arthur Schutheis. "A good time was had by all." with a swell bunch. Spent two days at the Fin and Feathers Lodge at Theriot, La., out side of Houma, operated by Mr. and Mrs. Guy T. Howard, a swell fishing camp and real hosts. Howard is known as the Old Man of the River. Mr. and Mrs. Abner P. Neill and Mr. and Mrs. Clyde Waters of Baton Rouge, La., fishing enthusiasts, said they were really pulling 'em in and were coming to Bay St. Louis soon to try their luck. Welcome folks. They're here. Saw Steve Kenny of Houma, who was connected with the Boy Scouts and visited this area. He sent regards to his friends here. Glad to see our Buddy Tony Bonvenanti up and out again. Joe Schaff and Joe Hughes had a nice round of golf Sunday. Speckles are still being caught up Jordan River according to Lucien Favre, with live bait and plugs. Heard from our friend Harold Bates up New York way. Said to give all his regards. Met the new game warden, up the river. Nolan is doing a good job and means business. Better get your hunting and fishing license. ANNOUNCE BIRTH Mr. and Mrs. Charles Bouis, Jr. announce the birth of their fifth child and third son, David Allen, at 12:22 a. m. <b>Enjoy a Cool Refreshing Snoball At The Star Theatre Snoball Stand Open Day and Night</b>	<b>ABOUT A HOSPITAL</b> There is something about a hospital. That makes many folks get together. On summer days, or winter days, And in any kind of weather. You meet the doctors, the nurses too. And the other folks who work there. A lot of questions you want to ask. But say to yourself, "I don't dare! They take you in, because you are sick. And you really want to get well. One moment you feel so very low. Yet, you want to say, "I feel swell." If need be; you will be put to bed. They will take good care of you. And so you put your trust in them. But hold on to God's hand too. The Auxiliary Ladies; Lord bless each one. At your bed they give a sweet smile. Mail your letters for you and speak kind words. Their visits are truly worthwhile. Lord teach our doctors and nurses. And all hospital workers too. Give them tender hearts dear Lord. Please show them what to do. Then darkness comes, shuts us in. Thy curtain of night is let down. Lord bless all hospitals everywhere. Keep Thy children safe and sound. —This poem composed by Mrs. Alma J.
